Dear Mr. Harms:

We have received from the Utah Division of Oil, Gas and Mining, their acceptance of your new \$73,000 bond on your San Rafael quarry operation. This bond amount also meets the new BLM requirements.

Their letter also contained their concurrence that drilling and mining could now commence in Area B. This letter is our approval to commence operations in Area B under your original mine plan. If you have any questions, feel free to contact Dean Nyffeler of my office.

Sincerely,

**MARK E. BAILEY**
